

What Is Workers' Compensation Insurance?

Workers' compensation insurance protects both businesses and their employees in the event of a work-related injury or occupational illness. It covers necessary medical treatment and lost wages, helping employees recover while minimizing business disruption.

Benefits for employees:

- Coverage for medical expenses and rehabilitation
- Compensation for lost wages during recovery
- Death benefits for dependents in the event of a fatal injury

Benefits for employers

- Protection from costly lawsuits
- Support with fraud prevention and workplace safety
- Access to managed care services to reduce employee downtime

Note: Coverage and benefits vary by state. Workers' comp is a smart investment in your people—and your business.
