*List isn't inclusive of every carrier and availability within each state**

Benefits:

- **Quicker processing:** Online platforms and digital underwriting can lead to faster quotes, policy issuance, and claims handling.
- **Higher commission rates:** Direct connections to carriers often translate to better commission structures for agents.
- **Access to exclusive products:** Agents may gain access to a broader range of products and programs offered directly by the carrier.
- **Oversight:** Agents have control of their book start to finish, with no interactions by LocalEdge. With the agent's personal access to quote, bind and service within carrier platforms, you control the process.
- **Note:** Some agents may be eligible for carrier run incentives and co-op dollars in addition to being eligible for LocalEdge's bonus
